Health Guarantee

The seller certifies that upon delivery to buyer, the puppy has been examined by a veterinarian, and appears to be in good health, and has received age-appropriate immunizations and de-worming, as stated in the accompanying health records. This guarantee is only applicable to the original purchaser for three days.

The puppy that the buyer purchased must be returned to the seller immediately, or an autopsy report stating the cause of death to be the fault of the seller. The seller reserves the right to have the puppy re-examined by their veterinarian at their cost to verify the diagnosis before replacing the puppy. Any condition that is minor, correctable, or a breed related minor condition is not covered, and no condition which could go away or is considered to be a condition which a puppy will likely grow out of is covered.

Initial: _____

If at any time the puppy is found to be neglected, abused, or allowed to live in poor health or poor conditions, the seller has all rights to repossession of this puppy with no refund to the buyer.

Initial: _____

The buyer agrees that if in the future, the terms of this agreement can no longer be met, the puppy/dog will be returned to Maloney Family Dogs with no refund.
